www.belleislefl.gov

The CCO respects your confidentiality but cannot accept anonymous complaints.

All complaints received by the Office are subject to public records law. Note: Florida has a very broad public records law. To report a violation, please call or email with the following information:

- Type of violation.
- Location with address if possible.
- Your name and address (Per FSS, unless there is imminent danger to the public or a public health, safety, or welfare concern, **anonymous complaints cannot be investigated.**)
- Any additional information.
- If you wish to be contacted by CCO pertaining to your report, please provide your email or phone number.

Dear Belle Isle Resident,

The City of Belle Isle is excited to introduce our Community Compliance Program, a proactive initiative designed to help preserve the beauty, safety, and quality of life that make our community such a wonderful place to live.

Starting in mid-August 2026, our Community Compliance Officer, Maureen McKuhen, will conduct neighborhood compliance visits throughout the City. Rather than responding only to complaints, the City will follow a district-based schedule to ensure every neighborhood receives regular, consistent attention throughout the year.

As Maureen visits your neighborhood, we encourage you to stop by, say hello, and introduce yourself! She is here to answer questions, provide information about City codes, and help residents understand compliance requirements.

During these neighborhood visits, she will monitor compliance for common issues. When violations are identified, residents will initially receive a Courtesy Notice or Warning explaining the issue and providing time to bring the property into compliance. Our goal is to work with property owners through education and voluntary compliance whenever possible.

Working together to keep Belle Isle beautiful!

Have Maureen Attend a Meeting

Compliance Officers routinely attend HOA meetings to explain code requirements.

If you would like Maureen at your next meeting, please call 407-851-7730.
