

Dear Congressman Soto

I am a resident of Belle Isle with an address of \_\_\_\_\_ . I am in favor of Judge Daetwyler Road Widening and Beautification project. Our City is long overdue for traffic relief on this road. The Plan assists in guiding the development of multi-use paths and street widening that facilitate walking, bicycling, transit use, and effectively manage vehicular demands, all of which are things worth for a better quality of life.

Daetwyler/Judge Project Letter of Support - I Love Belle Isle
